

CST ACADEMY
CYBER SECURITY TRANSFORMATION

OUR CONTRIBUTION

FROM LONE WARRIORS TO
AN ACTIVE COMMUNITY.

„There can be no absolute security, but it has been known since forever that there is strength in numbers. The CST Academy is our contribution towards a much-needed change – a transformation. From the insecurity of the individual to more security in a knowledge community. We offer space for skill development, security research, knowledge transfer and networking. From students to top managers. Together for more security.“
